SACRAMENTO VALLEY LIVE STEAMERS

1987 SPRING MEET

Come join us for a ride behind one of these miniature locomotives. Even though they are only one twelfth or one eighth the size of the originals, they do their work the same way as their big brothers. We know you'll be fascinated with the sights and sounds of our trains as they carry you by the American River on more than a quarter mile of scenic track. Bring your camera and a picnic lunch and spend a delightful day in beautiful Hagan Community Park. This "Spring Meet" attracts Live Steamers from many other areas of our country so you will enjoy locomotives and trains not usually seen here. We promise you a friendly welcome and a good time.
